Keys To Peace - Minutes

- Second Wave of Peace Bells-Mitch wants to buy his bell back; another solution was presented: Allow Mitch to have the bell but, in return, he will paint us another Peace Bell; Reef thinks 200 tickets is too many to sell for the lion fish bell; Reef wants a coral reef bell instead; Marlene to talk to manager of FISH HOUSE or THE ENCORE to see if they want to buy lion fish bell; work out an arrangement to work out a buyer ahead of time with a wanted theme for future bells and have artists compete by submitting their work to have their artwork (a painted bell) displayed in a certain restaurant, hotel, etc. (match artist with the theme of a business) and have artist advertised on our website, newsletter, etc.(this will have further discussion at a future meeting...); have a peace bell reunion on Int. Day of Peace; pull winning bell ticket at Int. Day of Peace event; plan a committee meeting??
