Discussion	<ul style="list-style-type: none"> Peaceful Driving seminar- The group agreed that they would all like to watch the video before committing to hosting this event. Marlene has agreed to forward the video to the all of the members so that we could discuss it more at our next meeting. If we do decide we want to host the event, we need to determine a time and date and we need to find a place for True to stay. Also, we thought that it would be a good idea to present it at the high school if True has enough time. 2nd Annual GIVEAWAY –We are still set to have our mini-giveaway on Saturday, October 29th, 2016 at Burton Memorial. We are going to limit this giveaway to children's items, linens, and household appliances you can carry with our hands. We are going to make flyers to help promote the event and Maria agreed to take anything we have leftover. Moving KTP stuff to TLWH HQ- Marlene is going to talk with Ron to see if there is still enough space. Denise and Don volunteered their truck and trailer to help move items once we have a place established. Bylaws committee- Don, Marlene and Lou have agreed to tackle the bylaws through e-mail. Website/newsletter/week ahead- Marlene and Lou are going to start working on the updating the website soon. Any insight from the group is strongly encouraged and appreciated. Peace Bell Update- Liz has sold \$50 in raffle tickets (go Liz!) and has convinced her cousins at the Florida Brewing Company to display the "Silver Flyer." Nancy suggested that we need to come up with kindness quotes for the "Silver Flyer" and unnamed bell since they are a part of our kindness project. Mary Anne was able to find two tanks for us to use in the future (yay Mary Anne!) Community Garden- Don has a degree in horticulture and Dee Dee knows a "hippie biologist" in the area to assist us with our garden. If we are going to start this, we need to plant soon as this is the prime time for growing in the Keys.
