	<ul style="list-style-type: none"> • Beverly Brown proposed setting up new weekly drum circles at the Peace Park behind the Murray Nelson Gov't Center. She is in contact with the gov't officials but needs a letter from KTP requesting waiver of fees and someone to help fill out forms. Marlene volunteered to do this for her. • Monks' visit was awesome. Record-breaking donations again this year (each year they seem to increase, as well as the ability of the monks to explain—to the public—just what they're doing with the mandala. • FL Keys History & Discovery Museum at Islander Resort wants to be involved with the monks next year. KTP will join and Saya will be the liaison with Jerry, who is the president. • DD will manage checks from Islander (split between monks & KTP) and will give a signed poster to Andy, the chef who cooked the Tibetan meal there. • Adopt a Hwy: Saya said that she would be in charge of it this time, since it is near her house at Venetian Shores. Marlene will contact volunteer coordinator at Coral Shores HS and find out if students, who need community service hours, would be willing to help. She will then put everyone in touch with Saya. • Woofstock: March 18/19 – Nancy will contact her people at Marrvelous Pet Rescue about our past booth situation, and Saya proposed selling keys as a fundraiser (good wood, painted by artists, with hooks to hold keys or whatever else someone wants to with them on a wall). Marlene will send an eblast to get solicit someone to be in charge of Woofstock. • Waynes' Peace Bell to hang at Scuba Tech for raffle.
