Discussion	<ul style="list-style-type: none"> • AAH next cleanup: Marlene & Don will contact respective volunteer organizations that they are familiar (Marlene – CSHS; Don- Upper Keys Foundation) with and propose that the date be set by the student volunteers; the last two cleanups, KTP set the dates and the student volunteers couldn't make it for one reason or another. Board/Advisory will wait to hear from them. The decision was made to get to our adopted location at first light and provide breakfast afterward, especially if we're going to do it in the summer. • Laundry Love (LL) is essentially over: reasons were that people in need rarely want to advertise, let alone celebrate, their situation at a monthly party that was what LL proposed. Discussion was "I don't wait to do laundry once a month, and most people don't either" and comments like that. So it was decided that KTP would not become involved with it. Terry Tainow suggested making up documents that people could pick up at the Laundromat giving them info on needed services and resources. • Candice, who was supposed to come and present info about Michael Moore's new movie, "Who to Invade Next" didn't show up, but Nancy filled us in on it and will be liaison with her re movie, its showing (where/when, etc.) and report back. 	

Keys To Peace - Minutes

- Marlene to continue to take minute until a permanent secretary can be found.

New Business

[Time allotted]

[Presenter]

- Monks have no date chosen yet in 2017 but Denise is working with Key West sangha to see if they want to split up the time with them like this year's visit. She is hoping for January, rather than April, because of vacancy at Stoneledge Paradise Inn for their lodging.
- Terry is the liaison with Community Resource Committee and will be going to meetings and report back to KTP. She believes they—made up of churches, community leaders, and others—have a lot of great stuff compiled to help people who need it in our community.
- Marlene is in touch via email with True Allisandre, who puts on a Peaceful Driving seminar. He is unsure when he will be in the area, possibly July or August. She will stay in touch with him and report back.

Motions

[agenda item]

[results]

- Moved, and seconded, to give \$250 to bring in Imam for Islam 101. All in favor, with the exception of Don, who opposed.
- Moved, seconded, and passed unanimously to reimburse anyone who wants asks to be reimbursed for going to Key Largo or Islamorada Chamber of Commerce luncheons or evening networking events representing Keys to Peace. Condition is that only two people may be reimbursed, and the board needs to know who is attending beforehand.
