Discussion	<ul style="list-style-type: none"> Monks Visit- Reverend Graf needed another coordinator for attending meetings and reviewing schedule; there was a miscommunication with monk arrival at church setting up altar; flyer left out church's logo and Michelle (Reverend's secretary) should have been recipient of word document; lesson learned to have more face-face meetings and collaborate on communication; scheduling issues and conflicts; we need to publicize through the press more for monks visits; schedule needs to be put in newspaper articles; we need a person that writes press releases at least for the main events (even if we need to pay someone); Never host monks same weekend of Art Under the Oaks (Sat. before Martin Luther King Day); one person should be in charge of sending a very detailed schedule to monks before they come; meditation every day, musical evening, church hosting, interfaith aspect all went beautifully; Monks raised \$10,000 in six days; boat visit has been taken over by Denise because boat wasn't moved from Smugglers' Cove to Post Card Inn; Key West hosting monks Jan. 4th, 2016 (first week) & KTP hosting monks week after at Kathy Lassiter's??
